Application for Holy Baptism

at
**HAMPSTEAD PARISH
CHURCH**

What is Baptism?

In bringing your child to baptism, you as parents are doing three things:

- Thanking God for the gift of a new life.
- Deciding to start your child on the journey of faith.
- Asking for the Church's support.

For your child, baptism marks the start of a journey of faith, which involves turning away from the darkness of self-centredness towards Christ who is fullness of life. Through baptism, your child becomes a member of the Church, the local and worldwide Christian family.

What happens at a Baptism?

When you bring your child for baptism, you will be asked to declare publicly on behalf of your child that you believe in God and that you will bring your child up to follow Jesus.

Baptism is a 'sacrament': a visible sign of God's love. In baptism, God draws people into relationship with him and into the family of the Church where we encounter and share God's love.

This is shown in three symbols:

- The priest will make the **sign of the cross** on your child's forehead. This is like an invisible badge to show that Christians are united with Christ and redeemed by his cross.
- The priest will pour **water** on your child's head. Water is a sign of washing and cleansing. In baptism it is a sign of being washed free from sin and beginning a new life with God.
- Your child will receive a **lighted candle**. Jesus is called the light of the world so this candle is a reminder of the light which has come into your child's life.

The practicalities...

1. Policy of Admission

We will baptise the children of anyone who lives within the parish boundaries, whether or not you regularly attend church. Nonetheless, given baptism's significance, we would encourage you to come along to our services to get to know the 'family' into which your child is being baptised.

If you do not know whether you live in the parish, we can advise you.

2. Godparents

It is usual to have three godparents, two of the same gender as the child and one of the opposite, but one of each is sufficient. Parents may be godparents to their own children, provided that the child has at least one other godparent.

Church law requires that godparents should be baptised and confirmed, but the requirement of confirmation can be relaxed in certain circumstances.

3. Timing of Services

Children of regular worshippers are usually baptised during our **10.30 Parish Eucharist**. These take place on the first Sundays of January, March, May, July and September. There may also be a Baptism service later in November and on Easter Day.

Children of other families living within the parish are offered a Sunday afternoon baptism at **2.30pm**. These take place on the last Sunday of each month. However, other arrangements may be possible in exceptional circumstances.

An organist may be booked for an afternoon baptism at a fee of £80
